

Parents and Guardians,

Prairie Central schools will continue to offer meal services throughout our extended school closure period, beginning March 30, 2020. At this time, we are offering all children, ages 18 and younger within our district borders, free breakfasts and lunches on weekdays. Again, these meals are offered to all children, not only those enrolled in Prairie Central schools and are free of charge. The meals are also available to our enrolled students with special needs ages 18 through 21.

All meals will be picked up at the school of your choice from 11:00-12:30 each Monday, Wednesday, and Friday. Watch for a sign outside of the door identified for entry. If you are unable to pick up meals or to find someone to pick meals up for you, please discuss this with food services director Joni Besgrove at 815-692-2115 and alternate arrangements will be made for you. When picking up meals, please send one person to pick up all meals for the household if possible, as we are working to avoid large crowds congregating.

Additionally, we are offering meals to adults in need at a price of \$5.00 per lunch and \$3.00 per breakfast. This must be paid in cash at the time of pick up. If you are in need of meals and cannot afford to pay, please call Joni Besgrove to discuss this matter.

Meal service will begin Monday, March 30, 2020 and continue through May 29, 2020. Plentiful Packs will be distributed on Fridays during meal pick-up as well. To sign up for meals, we PREFER that you do this electronically using the link below. If you sign up for the service, we will assume that you will want the service for the entire duration of the program. Please call us if this is not the case. You may sign up to begin using the service at any time. If you cannot use technology to sign up, please call 815-692-2115 or 815-692-3484 from 8:00-12:00 pm.
