

Meal Service information

Breakfast and lunch will be available daily to all learners, remote and in-person. As we have returned to our regular meal service, students will be charged for each meal at our regular rate unless he or she qualifies for free or reduced-price meals. We highly encourage families who may qualify to complete the application for free or reduced lunch prices. This must be done EACH YEAR. Even if you do not plan to use the program, if you qualify the district benefits by receiving additional grant money to address academic concerns for children. *PLEASE* complete the form if you believe you may qualify. For help with this process, please contact food services at (815) 692-2115.

In-Person Learners:

*Breakfast is available upon arrival at school. During our first seven weeks of learning, schools may ask students to eat breakfast in classrooms. More direction will be given to students at school.

*For the first seven weeks (through October 9th), lunch meals will be distributed to students to be taken home. K-8th grade students will sign up for meals in the morning as usual. High School students will be asked to sign up using a Google Form, available to them from 1:00pm to 6:30am each day. After October 9th, meals will be served at school “as usual”, with the added safety measure of social distancing in place.

HIGH SCHOOL IN-PERSON LEARNERS SIGN UP FOR MEALS HERE:

Remote Learners:

*Remote learners will be required to sign up for breakfast and lunch online. In order to do so, a Google Form must be completed each day between 1:00pm and 6:30am. Each form will allow you to sign up for lunch and the next day’s breakfast.

*Lunches must be picked up at the school of your choice each day between 11:30 and 11:45. Please come to the main entrance of the building and ring the doorbell. Indicate your name and that you are there to pick up meals. Meals will be brought to you, and a milk choice (chocolate/white) must be made at that time.
