

When Should I Stay Home?

I HAVE A FEVER	I AM VOMITING	I HAVE DIARRHEA	I HAVE A RASH	I HAVE HEAD LICE	I HAVE AN EYE INFECTION	I HAVE BEEN IN THE HOSPITAL
						
Temperature of 100° F or higher	Within the past 24 hours	Within the past 24 hours	Body rash with oozing, drainage or fever	Check with your school district policy	Redness, itching, and/or pus draining from eye	Hospital stay and/or emergency room visit

I am ready to go back to school when I am...

Fever free without the assistance of medication for 24 hours (i.e., Tylenol, Motrin, Advil)	Free from vomiting for 24 hours.	Free from diarrhea for 24 hours.	Free from rash or fever and have been evaluated by my doctor if needed.	Treated with appropriate lice treatment at home.	Free from drainage and/or have been evaluated by my doctor if needed.	Released by my medical provider to return to school.
 <i>It's ok to have a runny nose and/or small cough.</i>						

If your child has strep throat or another bacterial infection, he/she should stay home until the antibiotic has been given for at least 24 hours and your health care provider has given permission for your child to return to school. We encourage you to seek medical attention when your child is sick and to follow your health care provider's recommendations about returning to school and other activities.
